HAVE-A-HEART!

*Participate in the
 2009 Campaign.*

The Children's Chiropractic Center, Oklahaven, is a nonprofit organization dedicated to making sick children well using natural, drug-free chiropractic care.

The Center specializes in the treatment of neurologically disorganized children: nursing difficulties, colic, diarrhea, allergies, asthma, failure to thrive, developmental delays, ADHD through the autistic spectrum, and cerebral palsy are just a few conditions that have been successfully treated.

Children respond quickly to treatment since their bodies have great recuperative powers. Many parents come to the Center as their last hope.

The Center has never received state, federal, or United Way funding, but still continues to help the children, as it has since 1962 due to the generosity of the people who believe in a natural, lifestyle for children.

10th Anniversary

Oklahaven Children's Chiropractic Center HAVE -A- HEART 2009 Campaign

February 7-14, 2009

Join the chiropractic colleges and hundreds of chiropractic clinics around the world who are helping the non-profit Children's Chiropractic Center, Oklahaven, by conducting a HAVE-A-HEART Campaign in your office during the week of Valentine's Day, February 7-14. You will be supporting an internationally recognized nonprofit organization and increasing the chiropractic awareness of your own patients at the same time!

LET US KNOW that you "HAVE-A-HEART" and we will send YOU:

- A DVD of the children's journeys to health that is yours to keep.
- Pamphlets about OKLAHAVEN Children's Chiropractic Center.
- Hearts to list donor's name and display in your waiting room, front desk or along the halls to patient rooms.
- Information sheet with details and deadlines for the campaign.

HERE'S WHAT WE ARE ASKING YOU TO DO:

- Show the DVD to your patients while they are in the waiting room, community groups, health food stores, etc.
- Ask the patients to sponsor a heart by giving a gift and writing their name on a heart to be displayed.
- Collect money donated.
- Keep a log of who donates and the amount. We will thank them.
- Send us your final report detailing your office's success.
- Achieve the Golden Heart - the giver of life!

CONDUCTING A CAMPAIGN IS EASY and creates "contagious excitement" among patients, clinic staff and your community!

WHY PARTICIPATE?

Golden Heart Winner, Dr. Howard Berg, said, "It allows the community to see...that you do contribute to something greater and that chiropractic makes a difference in children's lives. That's huge."

I HAVE-A-HEART

*and want to participate in the
2009 Campaign.*

This is great! I want to register:

Name _____

Phone _____

Email _____

Address _____

City _____ State _____ Zip _____

Yes, I need:

- 45th Anniversary DVD — A Mother's Story of Her Child's Journey to Health
or
- 40th Anniversary DVD — Parents sharing their children's remarkable achievements through chiropractic
- I still have one from last year!
